

SPITZER MCP

CLAUDE SETUP GUIDE

Version 1.1 — June 2026

1. OVERVIEW

The Spitzer MCP connects Claude to the Spitzer News API and Spitzer Data API, giving Claude direct access to our news archive, deal pages, spreads, break prices, closing odds, offer terms, regulatory status and timing information.

2. INSTALLATION

1. Open Claude Desktop.
 2. Go to **Customize → Connectors**.
 3. Click the **+** symbol (with mouse-over text that says *Add connector*).
 4. Click **Add custom connector**.
 5. In the **Name** field, write: *Spitzer*
 6. In the **Remote MCP server URL** field, write: *https://spitzerdata.com/mcp*
 7. Click **Add**.
 8. A login window will open. Enter your email and password for spitzerdata.com.
 9. Once back in Claude Desktop, set **Tool permissions** to **Always allow**.
 10. Tab over to Claude Cowork and test it out. Try, “What’s the break price for NSC?”
